## STRATEGIC REPORT

The Directors present their Strategic report for Morgan Stanley & Co. Limited (the "Company") for the year ended 31 December 2018.

### PRINCIPAL ACTIVITY

The principal activity of the Company is to enter into financing transactions and investments, with no significant changes expected in 2019.

The Company's ultimate parent undertaking and controlling entity is Morgan Stanley, which, together with the Company and Morgan Stanley's other subsidiary undertakings, form the "Morgan Stanley Group". The Company's immediate parent undertaking is Morgan Stanley Investments (UK) ("MSIUK") whose immediate parent is Morgan Stanley International Limited, which together with its subsidiaries form the "MSI Group".

### BUSINESS REVIEW

#### Overview of 2018 performance and key performance indicators

The Company's main key performance indicators are profit after tax, total assets and total liabilities.

The Company's profit for the year after tax amounted to \$339,000, compared to \$1,224,000 in the prior year.

The decrease in profit primarily relates to the recognition in 2017 of a \$942,000 tax credit and release of \$200,000 of expense accruals, partially offset by a \$294,000 increase in net interest income from other Morgan Stanley Group undertakings in 2018. The increase in net interest income with other Morgan Stanley Group undertakings is driven by an increase in the average USD proxy rate in the year.

Settlement of intercompany balances owed to other Morgan Stanley Group undertakings has resulted in decreases in total assets of \$2,844,000 to \$11,782,000 and total liabilities of \$3,183,000 to \$2,033,000.

#### Risk management

The Directors consider that the Company's key financial risks are credit risk, primarily its concentration of exposure to other Morgan Stanley Group undertakings, and liquidity risk arising through its exposure to other Morgan Stanley Group undertakings presented within other receivables, other payables and loans and advances. The Company leverages the Morgan Stanley Group's credit and liquidity risk frameworks to identify, measure, monitor and control credit risk and to ensure that the Company has access to adequate funding.

The Company also has some limited exposure to country, operational and legal, regulatory and compliance risks.

The Company leverages the risk management policies and procedures of the Morgan Stanley Group and the MSI Group. The Company also manages the risk of potential impact on its business (including but not limited to the impact of the United Kingdom's (the "UK") decision to leave the European Union (the "EU")) by maintaining a constant planning dialogue with the wider Morgan Stanley Group and MSI Group.

### **STRATEGIC REPORT (CONTINUED)**

#### **BUSINESS REVIEW (CONTINUED)**

##### **Going concern**

Although the Company has net liabilities payable within the next 12 months, the Company is performing in line with expectations. In addition, the Company's ultimate parent undertaking and controlling entity, Morgan Stanley, has agreed to provide financial support to the Company to meet its obligations. As a result, the Directors believe it is reasonable to assume that the Company will have access to adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

#### **DIRECTORS' INDEMNITY**

Qualifying third party indemnity provisions (as defined in section 234 of the Companies Act 2006) were in force during the year and up to and including the date of the Directors' report for the benefit of the Directors of the Company and its subsidiary undertakings.

#### **EVENTS AFTER THE REPORTING DATE**

There have been no significant events since the reporting date.

#### **AUDITOR**

Deloitte LLP have expressed their willingness to continue in office as auditor of the Company and, under Sections 485 to 488 of the Companies Act 2006, will be deemed to be re-appointed.

#### **Statement as to disclosure of information to the auditor**

Each of the persons who are Directors of the Company at the date when this report is approved confirms that:

- so far as each of the Directors is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each of the Directors has taken all the steps that he/she ought to have taken as a Director to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

### DIRECTORS' REPORT (CONTINUED)

#### DIRECTORS' RESPONSIBILITIES STATEMENT

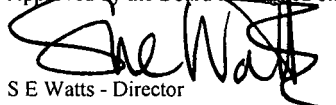

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with UK Generally Accepted Accounting Practice ("UK GAAP") (UK Accounting Standards and applicable law), including Financial Reporting Standard ("FRS") 101 '*Reduced Disclosure Framework*' ("FRS 101"). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, including FRS 101, have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY & CO. LIMITED

## Report on the audit of the financial statements

### Opinion

In our opinion the financial statements of Morgan Stanley & Co. Limited (the "Company"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 "*Reduced Disclosure Framework*"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the statement of changes in equity;
- the statement of financial position;
- the related notes 1 to 12; and
- appendix to the financial statements

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "*Reduced Disclosure Framework*" (United Kingdom Generally Accepted Accounting Practice).

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the "FRC's") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the Directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY & CO. LIMITED (CONTINUED)**

### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

### **Responsibilities of Directors**

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY & CO. LIMITED (CONTINUED)**

### **Report on other legal and regulatory requirements**

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic report or the Directors' report.

#### **Matters on which we are required to report by exception**

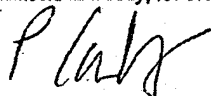

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

#### **Use of our report**

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **NOTES TO THE FINANCIAL STATEMENTS**

**As at 31 December 2018**

#### **1. CORPORATE INFORMATION**

The Company is incorporated and domiciled in England and Wales, UK at the following registered address: 25 Cabot Square, Canary Wharf, London, E14 4QA, UK. The Company is a private company and is limited by shares. The registered number of the Company is 02164628.

The Company's immediate parent undertaking is MSIUK which has its registered office at 20 Bank Street, Canary Wharf, London, E14 4AD, UK. Copies of the financial statements can be obtained from the Registrar of Companies for England and Wales, Companies House, Crown Way, Cardiff, CF14 3UZ.

The Company's ultimate parent undertaking and controlling entity and the largest and smallest group of which the Company is a member and for which group financial statements are prepared is Morgan Stanley which, together with the Company and Morgan Stanley's other subsidiary undertakings, form the Morgan Stanley Group. Morgan Stanley has its registered office c/o Corporation Trust Company, The Corporation Trust Center, 1209 Orange Street, Wilmington, DE 19801, United States of America and is incorporated in the state of Delaware, in the United States of America. Copies of its financial statements can be obtained from [www.morganstanley.com/investorrelations](http://www.morganstanley.com/investorrelations).

#### **2. BASIS OF PREPARATION**

The Company is not required to prepare consolidated financial statements by virtue of the exemption under section 400 of the Companies Act 2006.

##### **Statement of compliance**

These financial statements are prepared on a going concern basis as explained in the Strategic report and under the historical cost convention in accordance with UK GAAP (United Kingdom Accounting Standards and applicable law), including FRS 101.

The Company has taken advantage of the disclosure exemptions available under FRS 101 in relation to financial instruments, fair value measurement, capital management, presentation of a cash-flow statement, accounting standards not yet effective and related party transactions.

Where relevant, equivalent disclosures have been provided in the group accounts of Morgan Stanley in which the Company is consolidated. Copies of Morgan Stanley's accounts can be obtained as detailed at note 1.

##### **New standards and interpretations adopted during the year**

The following standards and amendments to standards relevant to the Company's operations were adopted during the year and did not have a material impact on the Company's financial statements, except where otherwise stated.

International Financial Reporting Standard 9 '*Financial instruments*' ("IFRS 9") was issued by the International Accounting Standards Board ("IASB") in November 2009, reissued in October 2010, amended in November 2013, and revised and reissued by the IASB in July 2014. It is effective for annual periods beginning on or after 1 January 2018 and was endorsed by the EU in November 2016. The Company has adopted IFRS 9 from 1 January 2018 with no restatement of comparative periods under the transitional provisions of the Standard. There is no impact on the classification and measurement of the Company's financial assets and liabilities. Impairment of financial assets is based on expected credit losses ("ECL") and the effect on opening reserves was \$nil.

## MORGAN STANLEY & CO. LIMITED

### NOTES TO THE FINANCIAL STATEMENTS

As at 31 December 2018

#### 2. BASIS OF PREPARATION (CONTINUED)

##### **New standards and interpretations adopted during the year (continued)**

Amendments to FRS 100 and FRS 101 '*Triennial review 2017 amendments*' were issued by the Financial Reporting Council in December 2017 for application in accounting periods beginning on or after 1 January 2019. The Company has early adopted all these amendments from 1 January 2018.

##### **Critical judgements**

No judgements have been made in the process of applying the Company's accounting policies that have had a significant effect on the amounts recognised in the financial statements.

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### **a. Functional currency**

Items included in the financial statements are measured and presented in US dollars, the currency of the primary economic environment in which the Company operates.

##### **b. Foreign currencies**

Monetary assets and liabilities denominated in currencies other than US dollars are translated into US dollars at the rates ruling at the reporting date. Transactions and non-monetary assets and liabilities denominated in currencies other than US dollars are recorded at the rates prevailing at the dates of the transactions. All translation differences are recognised through the statement of comprehensive income.

##### **c. Cash and cash equivalents**

Cash and cash equivalents comprise cash and demand deposits with banks, net of outstanding bank overdrafts, with original maturities of three months or less, that are readily convertible to known amounts of cash and subject to insignificant risk of change in value.

##### **d. Financial instruments**

Financial assets and liabilities primarily comprise investments in subsidiaries, loans and advances, other receivables and payables and debt and other borrowings.

Investments in subsidiaries are stated at cost, less provision for any impairment. Dividends, impairment losses and reversals of impairment losses are recognised in the statement of comprehensive income in 'Net gains on investments in subsidiaries'.

Loans and advances, other receivables and payables and debt and other borrowings are recognised when the Company becomes a party to the contractual provisions of the instrument and are initially measured at fair value and subsequently measured at amortised cost (less allowance for impairment on financial assets). Interest is recognised in the statement of comprehensive income using the effective interest rate ("EIR") method.

## MORGAN STANLEY & CO. LIMITED

### NOTES TO THE FINANCIAL STATEMENTS

As at 31 December 2018

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### d. Financial instruments (continued)

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risk and rewards of ownership of the asset. The Company derecognises financial liabilities when the Company's obligations are discharged, cancelled or they expire.

##### e. Impairment of financial assets

From 1 January 2018, the Company recognises loss allowances for ECL for its financial assets classified at amortised cost. ECLs are the present value of cash shortfalls over the expected life of the financial instrument, discounted at the asset's EIR. ECL is recognised in the statement of comprehensive income within 'Net impairment loss on financial instruments' and is reflected against the carrying amount of the impaired asset on the statement of financial position as an ECL allowance. Until 31 December 2017, impairment losses on financial assets were measured as the difference between the carrying amount and the present value of estimated cash flows discounted at the asset's original EIR.

Impairment losses on investment in subsidiaries are measured as the difference between cost and the current estimated recoverable amount. When the recoverable amount is less than the cost, an impairment is recognised within the statement of comprehensive income in 'Net losses on investment in subsidiaries,' and is reflected against the carrying amount of the impaired asset on the statement of financial position.

##### f. Income tax

The tax expense represents the sum of the tax currently payable and is calculated based on taxable profit for the year. Taxable profit may differ from profit before taxation as reported in the statement of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is accounted for using the balance sheet liability method. Deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised.

Deferred tax liabilities are generally recognised for taxable temporary differences, except where they relate to investments in subsidiaries and the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at each reporting date and limited to the extent that it is probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited directly to other comprehensive income or equity, in which case the deferred tax is reflected within other comprehensive income or equity, respectively.
