Notes to the accounts

1. Basis of preparation (Financial Statements)

The financial statements are prepared in accordance with Financial Reporting Standard (FRS 101) *Reduced Disclosure Framework* and in compliance with the Companies Act 2006. The amendments to FRS 101 (2013/14 Cycle) issued in July 2014 and effective immediately have been applied.

The Company financial statements are presented in pounds sterling, which is also the Company's functional currency and rounded to the nearest thousands except where otherwise indicated.

FRS 101 requires the Company to follow the requirements of each relevant International Financial Reporting Standard (IFRS) except that it permits a number of exceptions to disclosures that would be required if the Company were to prepare accounts in compliance with IFRS.

The Company has written to its shareholders informing them that it will make use of these exemptions and received no objections.

The exemptions used by the Company are as follows:-

- A cash flow statement and related notes;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs, and
- The disclosure of any related party transactions with other wholly owned subsidiaries within the RSA group of companies.

As the consolidated financial statements of the Company's ultimate parent undertaking include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosure:-

- Certain disclosures required by IFRS13 *Fair Value Measurement* and the disclosures required by IFRS7 *Financial Instrument Disclosures*.

The Company transitioned from the UK financial reporting accounting standards in force at 31 December 2014 ('old UK GAAP') to FRS 101 ('new UK GAAP') at 1 January 2015. There were no changes in the comparative information provided for the year ended 31 December 2014 as a result of the transition to FRS 101.

The Report and Accounts containing these financial statements can be found at www.rsagroup.com.

Significant Accounting Policies

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements and in preparing an opening FRS 101 balance sheet at 1 January 2014 for the purposes of the transition to FRS 101:-

(a) Taxation

Taxation is recognised in the profit and loss account, except to the extent that the tax arises from a transaction or event recognised either in other comprehensive income or directly in equity.

Taxation is based on profits and income for the year as determined in accordance with the relevant tax legislation, together with adjustments for prior years.

2. Auditor's remuneration

Fees payable to KPMG LLP for the audit of the Company's annual accounts were £900 (2014: £1,800) which were borne by a Group company, Royal & Sun Alliance Insurance plc. Details of non-audit fees payable to KPMG LLP are disclosed in the RSA Insurance Group plc 2015 Annual Report & Accounts.

3. Directors' remuneration

The directors were all remunerated by Royal & Sun Alliance Insurance plc, a fellow subsidiary of RSA Insurance Group plc, for their services to the RSA Group as a whole. This is consistent with prior years.
