

Company Registration No: 04513329

PARAGON SECURED FINANCE (NO. 1) PLC

Report and Financial Statements

Year ended 30 September 2017

STRATEGIC REPORT

BUSINESS REVIEW AND PRINCIPAL ACTIVITIES

Paragon Secured Finance (No. 1) PLC ('the Company') is a wholly owned subsidiary of Paragon Banking Group PLC ('the Group') and was set up to provide finance for its consumer finance loan assets, by issuing asset backed floating rate loan notes and using the proceeds to purchase consumer loans from other group companies.

During the year the Company operated in the United Kingdom, its principal activity is the provision of consumer finance. There have been no significant changes in the Company's principal activities in the year under review. The directors are not aware, at the date of this report, of any likely major changes in the Company's activities in the next year.

As shown in the Company's profit and loss account on page 8, the Company's net interest income decreased by 11% compared to the prior year (2016: 24% decrease). This was principally reflecting the reduction in the company's loan book during the year. The profit after tax has increased from £862,000 to £2,315,000. This was mainly due to reduced operating expenses charged to the company during the year as compared to last year.

The balance sheet on page 9 of the Financial Statements shows the Company's financial position at the year end. Loans to customers have decreased by 18% (2016: 16%) due to customers redeeming their accounts. The asset backed loan notes have reduced by 20% (2016: 18%) during the year. Details of amounts owed from and to other group companies are shown in notes 11 and 15.

The directors recommend no final dividend (2016: £nil) which, given the interim dividend of £17.00 per share (2016: £62.00 per share), means a total dividend for the year of £17.00 per share (2016: £62.00 per share).

The Group manages its operations on a centralised basis. For this reason, the Company's directors believe that further key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business. The performance of the Group's mortgage lending operation, which includes the Company, is discussed in the Group's Annual Report, which does not form part of this Report.

PRINCIPAL RISKS AND UNCERTAINTIES

The Company is a securitisation company and has been structured so as to avoid, in as far as is possible, all forms of financial risk with its outstanding loan notes match-funded to maturity. An analysis of the Company's exposure to risk, including financial risk, and the steps taken to mitigate these risks are set out in note 4, and a discussion of critical accounting estimates is set out in note 3.

After considering the above, the directors have a reasonable expectation that the Company will have adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the Financial Statements.

ENVIRONMENT

The Group recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the Group's activities. The Company operates in accordance with group policies, which are described in the Group's Annual Report, which does not form part of this Report.

EMPLOYEES

The Company has no employees. All operational services are provided by employees of the Group. The Group's employment policies are described in its Annual Report, which does not form part of this Report.

Approved by the Board of Directors
and signed on behalf of the Board

K G Allen

Director

23 January 2018

DIRECTORS' REPORT

The directors present their Annual Report prepared in accordance with Schedule 7 to the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 and the audited Financial Statements of Paragon Secured Finance (No. 1) PLC, a company registered in England and Wales with registration no: 04513329, for the year ended 30 September 2017.

CORPORATE GOVERNANCE

The directors have been charged with governance in accordance with the transactional documentation detailing the mechanism and structure of the transaction. The structure of the Group is such that the key policies have been predetermined at the time of issuance and the operational roles have been assigned to third parties with their roles strictly governed by the transaction documents.

DIRECTORS

The directors throughout the year and subsequently were:

R D Shelton

R J Woodman

J Fairrie

J A Harvey (resigned 31 January 2017)

D P Stolp (resigned 1 November 2016)

K G Allen

J P Nowacki (appointed 21 November 2016, resigned 7 March 2017)

J P Giles (appointed 8 March 2017)

P H Whitaker (appointed 8 March 2017)

AUDITOR

The directors have taken all reasonable steps to make themselves and the Company's auditor, KPMG LLP, aware of any information needed in preparing the audit of the Annual Report and Financial Statements for the year, and, as far as each of the directors is aware, there is no relevant audit information of which the auditor is unaware.

A resolution for the re-appointment of KPMG LLP as the auditor of the Company is to be proposed at the forthcoming Annual General Meeting.

INFORMATION PRESENTED IN OTHER SECTIONS

Certain information required to be included in a directors' report by the Companies Act 2006 and regulations made there under can be found in the other sections of the Annual Report, as described below. All of the information presented in these sections is incorporated by reference into this Directors' Report and is deemed to form part of this report.

- Commentary on the likely future developments in the business of the Company is included in the Strategic Report.
- A description of the Company's financial risk management objectives and policies, and its exposure to risks arising from its use of financial instruments are set out in note 4 to the accounts.
- Disclosure on any dividends paid during the year is included in the Strategic Report.

Approved by the Board of Directors

and signed on behalf of the Board

K G Allen

Director

Registered Office: 51 Homer Road, Solihull, West Midlands, B91 3QJ

STATEMENT OF DIRECTORS' RESPONSIBILITIES
in relation to Financial Statements

The directors are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of their profit or loss for that period.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets, for the Company's systems of internal control and for taking reasonable steps for the prevention and detection of fraud and other irregularities and for the preparation of a strategic report and directors' report which comply with the applicable requirements of the Companies Act 2006.

Approved by the Board of Directors and signed on behalf of the Board.

Pandora Sharp
Company Secretary
23 January 2018

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PARAGON SECURED FINANCE (NO. 1) PLC

1 Our opinion is unmodified

We have audited the Financial Statements of Paragon Secured Finance (No. 1) PLC for the year ended 30 September 2017 which comprise the profit and loss account, the balance sheet, the statement of movements in equity and the related notes 1 to 17, including the accounting policies in note 2.

In our opinion, the Financial Statements:

- give a true and fair view of the state of the Company's affairs as at 30 September 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including Financial Reporting Standard 101 – 'Reduced Disclosure Framework'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion. Our audit opinion is consistent with our report to the audit committee.

We were appointed as auditor by the shareholders on 9 February 2016. The period of total uninterrupted engagement is for the two financial years ended 30 September 2017. We have fulfilled our ethical responsibilities under, and we remain independent of the Group in accordance with, UK ethical requirements including the FRC Ethical Standard as applied to listed public interest entities. No non-audit services prohibited by that standard were provided.

2 Key audit matters: our assessment of risks of material misstatement

Key audit matters are those matters that, in our professional judgment, were of most significance in the audit of the financial statements and include the most significant assessed risks of material misstatement (whether or not due to fraud) identified by us, including those which had the greatest effect on: the overall audit strategy; the allocation of resources in the audit; and directing the efforts of the engagement team. We summarise below the key audit matters (unchanged from 2016), in decreasing order of audit significance, in arriving at our audit opinion above, together with our key audit procedures to address those matters and, as required for public interest entities, our results from those procedures. These matters were addressed, and our results are based on procedures undertaken, in the context of, and solely for the purpose of, our audit of the financial statements as a whole, and in forming our opinion thereon, and consequently are incidental to that opinion, and we do not provide a separate opinion on these matters.

	The risk	Our response
<p>Revenue recognition on loans and advances</p> <p>(£4,833k; 2016: £5,311k)</p> <p><i>Refer to page 8 (profit and loss account) and note 2 (accounting policy).</i></p>	<p>Subjective estimate:</p> <p>The recognition of revenue (interest receivable) on loans and advances to customers under the effective interest rate ("EIR") method requires the Directors to apply judgement, with the most critical estimate being the loans' expected behavioural life for originated assets.</p> <p>The expected life assumptions utilise repayment profiles which represent how customers are expected to pay. These profiles extend significantly into the future which creates a high level of estimation uncertainty and subjects the judgement to future market changes. The Company makes its expected life assumptions based on its forecasting process which incorporates both historical experience and judgemental overlays by management.</p>	<p>Our procedures included:</p> <ul style="list-style-type: none"> – Historical comparison: We critically assessed the Company's analysis and key assumptions over the repayment profiles by comparing them to the Company's and Group's historical trends and actual portfolio behaviour; – Our sector experience: We challenged the Company's repayment profiles by applying our own expectations based on our knowledge of the Company and experience of the industry in which it operates; and – Sensitivity analysis: We performed sensitivity analysis over the repayment profiles by applying alternative profiles based upon the above procedures. <p>Our results</p> <ul style="list-style-type: none"> – We found the resulting estimate of the revenue recognition on loans and advances to be acceptable (2016: acceptable)

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF PARAGON SECURED FINANCE (NO. 1) PLC (CONTINUED)**

<p>Impairment of loans and receivables</p> <p>(£968k; 2016: £1,318k)</p> <p><i>Refer to note 2 (accounting policy).</i></p>	<p>Subjective estimate:</p> <p>The impairment provision relating to the Company's loans to customers requires the Directors to make significant judgements and assumptions over the recoverability of loans and receivables. Impairment provisions are assessed on an individual and collective basis and we consider the key assumptions and risks for each in turn.</p> <p><i>Individual impairment</i></p> <p>The key assumption used within the model is the estimation of the quantum and timing of future cash flows on impaired loans. This estimation includes past payment behaviour, the expected collections approach and the likely collateral valuation. Where the expected collections approach is through future cash repayments, a key estimate is the expected future period, over which these cash repayments will be made.</p> <p><i>Collective impairment</i></p> <p>For the purposes of the collective provision assessment, the Company calculates an emergence provision based on the previous loss experience for loans that have become individually impaired, overlaid with management judgement. There is a risk that the overall provision is not reflective of the incurred losses at the end of the year due to the period of time assumed that it takes for incurred losses to emerge, changes in customer credit quality or other market factors not sufficiently incorporated into the model.</p>	<p>Our procedures included:</p> <ul style="list-style-type: none"> – Controls: We tested the key controls over the acceptance, monitoring and reporting of credit risk; – Historical comparisons: We critically assessed the Company's assumptions on past payment behaviour, including collateral valuations and growth, the quantum and period of time cash repayments continue to be made after the loan is impaired and emergence provisions by comparing them to the Company's historical experience; – Benchmarking assumptions: We compared the Company's key assumptions on past payment behaviour and emergence period to comparable peer organisations; – Our sector experience: We challenged the Company's key assumptions on the quantum and period of time cash repayments continue to be made after the loan is impaired and emergence provisions by applying our own expectations based upon our knowledge of the Company and experience of the industry in which it operates; and – Sensitivity analysis: We performed sensitivity analysis over the Company's key assumptions on the quantum and period of time cash repayments continue to be made after the loan is impaired, likely collateral valuations and emergence provisions based upon our findings from the above procedures. <p>Our results</p> <ul style="list-style-type: none"> – We found the resulting estimate of the impairment of loans and receivables to be acceptable (2016: acceptable).
--	---	--

3 Our application of materiality and an overview of the scope of our audit

Materiality for the financial statements as a whole was set at £0.52m (2016: £0.60m), determined with reference to a benchmark of total assets of £69.7m, of which it represents 0.75% (2016: 0.75%).

We agreed to report to those charged with governance any corrected or uncorrected identified misstatements exceeding £0.03m (2016: £0.03m), in addition to other identified misstatements that warranted reporting on qualitative grounds.

Our audit of the company was undertaken to the materiality level specified above and was all performed at the company's head office in Solihull.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF PARAGON SECURED FINANCE (NO. 1) PLC (CONTINUED)

4 We have nothing to report on going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

5 We have nothing to report on the other information in the Annual Report

The directors are responsible for the other information presented in the Annual Report together with the financial statements. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

Strategic report and directors' report

Based solely on our work on the other information:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

6 We have nothing to report on the other matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent Company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent Company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

7 Respective responsibilities

Directors' responsibilities

As explained more fully in their statement set out on page 3, the Directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or other irregularities (see below), or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud, other irregularities or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PARAGON SECURED FINANCE (NO. 1) PLC (CONTINUED)

8 The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

1. GENERAL INFORMATION

Paragon Secured Finance (No. 1) PLC ('the Company') is a company domiciled in the United Kingdom and incorporated in England and Wales under the Companies Act 2006 with company number 04513329. The address of the registered office is 51 Homer Road, Solihull, West Midlands, B91 3QJ. The nature of the Company's operations and its principal activities are set out in the Strategic Report.

These financial statements are presented in pounds sterling, which is the currency of the economic environment in which the Company operates.

2. ACCOUNTING POLICIES

The Financial Statements have been prepared in accordance with applicable UK accounting standards. Disclosures have been made in accordance with Financial Reporting Standard 101 – 'Reduced Disclosure Framework' ('FRS 101').

As permitted by FRS 100 – 'Application of Financial Reporting Requirements' ('FRS 100') the Company has applied the measurement and recognition requirements of International Financial Reporting Standards ('IFRS') as adopted by the EU, but makes amendments where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of disclosure exemptions provided by FRS 101 has been taken.

Accounting convention

The Financial Statements are prepared under the historical cost convention, except as required in the valuation of certain financial instruments which are carried at fair value.

Going concern

The Financial Statements have been prepared on a going concern. The directors have a reasonable expectation that the Company will have adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the Financial Statements.

Loans to customers

Loans to customers are considered to be 'loans and receivables' as defined by International Accounting Standard 39 – 'Financial Instruments: Recognition and Measurement' ('IAS 39'). They are therefore accounted for on the amortised cost basis.

Such loans are valued at inception as the amount of initial advance, which is the fair value at that time, inclusive of procurement fees paid to brokers or other business providers and less initial fees paid by the customer. Thereafter they are valued at this amount less the cumulative amortisation calculated using the Effective Interest Rate ('EIR') method. The loan balances are then reduced where necessary by a provision for balances which are considered to be impaired.

The EIR method spreads the expected net income arising from a loan over its expected life. The EIR is that rate of interest which, at inception, exactly discounts the expected future cash payments and receipts arising from the loan to the initial carrying amount.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

2. ACCOUNTING POLICIES (CONTINUED)

Impairment of loans and receivables

Loans and receivables are reviewed for indications of possible impairment throughout the year and at each balance sheet date in accordance with IAS 39. Where loans exhibit objective evidence of impairment (a 'loss event') the carrying value of the loans is reduced to the net present value of their expected future cash flows, including the value of the potential realisation of any security (net of sales costs) discounted at the original EIR.

Within its buy-to-let portfolio the Group utilises a receiver of rent process, whereby the receiver stands between the landlord and tenant and will determine an appropriate strategy for dealing with any delinquency. This strategy may involve the immediate sale of any underlying security or the short or long term letting of the property to cover arrears and principal shortfalls. Properties in receivership are either returned to their landlord owners or sold.

Loss events reflect both loans that display delinquency in contractual payments of principal or interest or, for buy-to-let loans in receivership but up to date at the balance sheet date, properties where the receiver adopts a sale strategy, where a shortfall may or may not arise.

In addition to loans where loss events are evident, loans are also assessed collectively, grouped by risk characteristics and account is taken of any impairment arising due to events which are believed to have taken place but have not been specifically identified at the balance sheet date. Collective impairment provisions are calculated for each key portfolio based on recent historical performance, with adjustments for expected changes in losses based on management's judgement.

For financial accounting purposes provisions for impairments of loans to customers when first recognised in the income statement are held in an allowance account. These balances are released to offset against the gross value of the loan when it is written off to profit and loss on the administration system. After this point a salvage balance may be held in respect of any further recoveries expected on the loan.

Cash at bank

Balances shown as cash at bank in the balance sheet comprise demand deposits and short-term deposits with banks with initial maturities of not more than 90 days.

Current tax

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation

Deferred taxation is provided in full on temporary differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Deferred tax assets are recognised to the extent that it is regarded as probable that they will be recovered. As required by IAS 12 – 'Income Taxes', deferred tax assets and liabilities are not discounted to take account of the expected timing of realisation.

Borrowings

Borrowings are carried in the balance sheet on the amortised cost basis. The initial value recognised includes the principal amount received less any discount on issue or costs of issuance.

Interest and all other costs of the funding are expensed to the profit and loss account as interest payable over the term of the borrowing on an Effective Interest Rate basis.

Amounts owed by or to group companies

The balances owed by or to other group companies are carried at the current amount outstanding less any provision.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

2. ACCOUNTING POLICIES (CONTINUED)

Revenue

The revenue of the Company comprises interest receivable and other income. The accounting policy for the recognition of each element of revenue is described separately within these accounting policies.

Fee and commission income

Other income includes administration fees charged to borrowers, which are credited to the profit and loss account when the related service is performed.

Disclosures

In preparing these financial statements the Company has taken advantage of the exemptions from disclosure provided by FRS 101 in respect of:

- The requirement to produce a cash flow statement and related notes
- Disclosures in respect of transactions with wholly owned subsidiaries
- Disclosures in respect of capital management
- The effects of new, but not yet effective IFRSs
- Disclosures in respect of key management personnel
- Disclosures of transactions with a management entity which provides key management personnel services to the Company

As the consolidated financial statements of Paragon Banking Group PLC, the ultimate parent undertaking of the Company, include equivalent disclosures the Company has also taken advantage of these further exemptions provided by FRS 101:

- Certain disclosures required by IFRS 13 – ‘Fair Value Measurement’
- Certain disclosures required by IFRS 7 – ‘Financial Instruments Disclosures’

The Company presently intends to continue to apply these exemptions in future periods.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

3. CRITICAL ACCOUNTING ESTIMATES

Certain balances reported in the Financial Statements are based wholly or in part on estimates or assumptions made by the directors. There is, therefore, a potential risk that they may be subject to change in future periods. The most significant of these are:

Impairment losses on loans to customers

Impairment losses on loans are calculated based on statistical models. The key assumptions revolve around estimates of future cash flows from customer's accounts, their timing and, for secured accounts, the expected proceeds from the realisation of the property. These key assumptions are based on observed data from historical patterns and are updated regularly based on new data as it becomes available.

In addition the directors consider how appropriate past trends and patterns might be in the current economic situation and make any adjustments they believe are necessary to reflect the current conditions.

The accuracy of the impairment calculations would therefore be affected by unexpected changes to the economic situation, variances between the models used and the actual results or assumptions which differ from the actual outcomes.

In particular, if the impact of economic factors such as employment levels on customers is worse than is implicit in the model then the number of accounts requiring provision might be greater than suggested by the model, while falls in house prices, over and above any assumed by the model might increase the provision required in respect of accounts currently provided.

Effective interest rates

In order to determine the EIR applicable to loans and borrowings an estimate must be made of the expected life of each loan and hence the cash flows relating thereto. For purchased accounts this will involve estimating the likely future performance of the accounts at the time of acquisition. These estimates are based on historical data and reviewed regularly. For purchased accounts historical data obtained from the vendor will be examined. The accuracy of the EIR applied would therefore be compromised by any differences between actual repayment profiles and that predicted, which in turn would depend directly or indirectly on customer behaviour.

4. FINANCIAL RISK MANAGEMENT

The Company's operations are financed principally by floating rate, asset backed loan notes and, to a lesser extent, by a mixture of share capital and loans from other group companies. The Company issues financial instruments to finance the acquisition of its portfolio of loans to customers. In addition, various financial instruments, for example debtors and accruals, arise directly from the Company's operations.

The principal risks arising from the Company's financial instruments are credit risk, liquidity risk and interest rate risk. The board of the Company's holding company reviews and agrees policies for all companies in the Group managing each of these risks and they are summarised below. These policies have remained unchanged throughout the year and since the year end.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

4. FINANCIAL RISK MANAGEMENT (CONTINUED)

Credit risk

The Company's credit risk is primarily attributable to its loans to customers. The maximum credit risk at 30 September 2017 approximates to the carrying value of loans to customers (note 10). There are no significant concentrations of credit risk due to the large number of customers included in the portfolios.

The Company acquired secured loans from Paragon Second Funding Limited, a fellow group company which place strong emphasis on good credit management at the time of underwriting new loans. The acquired secured loans are on residential properties in the UK.

In assessing credit risk an applicant's ability to repay the loan remains the overriding factor in the decision to lend by the originating lender.

Paragon Finance PLC, a fellow group company, administers the loans on behalf of Paragon Secured Finance (No. 1) PLC and the collections process is the same as that utilised for all companies in the group.

The board of the Company's holding company determines on a group basis, which counterparties the group of companies will deal with, establishes limits for each counterparty and monitors compliance with those limits.

Liquidity risk

The Company's assets are principally financed by asset backed loan notes issued through the securitisation process. Details of the Company's borrowings are given in notes 15 and 16. Securitisation effectively eliminates the Company's liquidity risk by matching the maturity profile of the Company's funding to the profile of the assets to be funded.

Interest rate risk

The rates payable on the asset backed loan notes issued by the Company are reset quarterly on the basis of LIBOR. The Company's assets predominantly bear LIBOR linked interest rates. The interest rates charged on the Company's variable rate loan assets are determined by reference to, inter alia, the Company's funding costs and the rates being charged on similar products in the market. Generally this ensures the matching of changes in interest rates on the Company's loan assets and borrowings and any exposure arising on the interest rate resets is relatively short term.

In part, the Company's interest rate hedging objectives are achieved by the controlled mismatching of the dates on which instruments mature, redeem or have their interest rates reset.

Currency risk

The Company has no material exposure to foreign currency risk.

PARAGON SECURED FINANCE (NO. 1) PLC

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

5. INTEREST PAYABLE AND SIMILAR CHARGES

	2017 £000	2016 £000
Asset backed loan notes	765	938
Subordinated loan interest	587	617
Interest payable to group companies	412	353
	<u>1,764</u>	<u>1,908</u>

Included within the asset backed loan notes balance is an amount of £25,000 (2016: £38,000) that was paid to fellow subsidiaries of Paragon Banking Group PLC.

6. DIRECTORS AND EMPLOYEES

Directors' remuneration from the Company during the year is stated in note 8.

The Company had no employees in the current or preceding year. All administration is performed by employees of the Group. The directors of the Company, with the exception of J Fairrie, D P Stolp, J P Nowacki and P H Whitaker, are employed by Paragon Finance PLC, a fellow group company, and their remuneration is disclosed within the financial statements of that company, which do not form part of this Report.

7. PROVISIONS FOR LOSSES

	2017 £000	2016 £000
Impairment on financial assets / (release of provision)		
Secured loans (note 10)	122	(344)
	<u>122</u>	<u>(344)</u>

8. OPERATING PROFIT, BEING PROFIT ON ORDINARY ACTIVITIES BEFORE TAXATION

	2017 £000	2016 £000
Operating profit is after charging:		
Directors' fees	3	3
Auditor remuneration - audit services	8	8
	<u>11</u>	<u>11</u>

Non audit fees provided to the Group are disclosed in the accounts of the parent company and the exemption from disclosure of fees payable to the Company's auditor in respect to non-audit services in these financial statements has been taken.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

9. TAX ON PROFIT ON ORDINARY ACTIVITIES

a) Tax charge for the year

	2017 £000	2016 £000
Current tax		
Corporation tax	439	169
Total current tax	<u>439</u>	<u>169</u>
Deferred tax (note 14)		
Origination and reversal of timing differences	121	45
Rate change	(3)	(5)
Total deferred tax	<u>118</u>	<u>40</u>
Tax charged on profit on ordinary activities	<u><u>557</u></u>	<u><u>209</u></u>

b) Factors affecting the tax charge for the year

	2017 £000	2016 £000
Profit before tax	2,872	1,071
UK corporation tax at 19.5% (2016: 20%) based on the profit for the year	560	214
Effects of:		
Change in rate of taxation on deferred tax balances	(3)	(5)
Tax charge for the year	<u><u>557</u></u>	<u><u>209</u></u>

During the year ended 30 September 2015 the Government announced provisions further reducing the rate of corporation tax to 19.0% with effect from 1 April 2017 and to 18.0% from 1 April 2020 which were substantially enacted during the year. The tax rate applying from 1 April 2020 was further reduced to 17% during the year.

Therefore, the standard rate of corporation tax applicable to the Company for the year ended 30 September 2017 is expected to be 19.5%, the rate in the years ending 30 September 2018 and 30 September 2019 are expected to be 19.0%, the rate in the year ending 30 September 2020 is expected to be 18.0% and the rate in subsequent years is expected to be 17.0%. The expected impact on deferred tax balances of the changes to 19.0% and 17.0% was accounted for in the year ended 30 September 2016.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

10. LOANS TO CUSTOMERS

Loans to customers at 30 September 2017 and 30 September 2016, which are all denominated and payable in sterling, were secured loans which are secured on residential property within the United Kingdom and are categorised as loans and receivables as defined by IAS 39.

Secured loans have a contractual term of up to 25 years. In all cases the borrower is entitled to settle the loan at any point and in most cases such early settlement does take place. All borrowers are required to make monthly payments, except where an initial deferred period is included in the contractual terms.

All the consumer loans are pledged as collateral for asset backed loan notes at 30 September 2017 and 30 September 2016.

	2017 £000	2016 £000
Balance at 1 October 2016	62,125	73,912
Other debits	4,716	5,277
Provision (charge) / credit (note 7)	(122)	344
Repayments and redemptions	(15,790)	(17,408)
Balance at 30 September 2017	<u>50,929</u>	<u>62,125</u>

Other debits include primarily interest charged to customers on loans outstanding and other changes in the amortised cost of the assets caused by the effective interest rate method.

11. DEBTORS

	2017 £000	2016 £000
Amounts falling due within one year:		
Amounts due from group companies	361	235
Prepayments and accrued income	5	8
	<u>366</u>	<u>243</u>

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

12. CALLED UP SHARE CAPITAL

	2017 £	2016 £
Allotted:		
49,998 ordinary shares of £1 each (25p called up and paid)	12,500	12,500
2 ordinary shares of £1 each (fully paid)	2	2
	<u>12,502</u>	<u>12,502</u>

13. PROFIT AND LOSS ACCOUNT

	£000
At 1 October 2015	3,127
Profit for the financial year	862
Dividend paid	<u>(3,100)</u>
At 30 September 2016	889
Profit for the financial year	2,315
Dividend paid	<u>(850)</u>
At 30 September 2017	<u>2,354</u>

An interim dividend of £17.00 per share was paid during the year (2016: £62.00 per share). No final dividend is proposed (2016: £nil).

14. PROVISIONS FOR LIABILITIES

Deferred tax

The movements in the net liability for deferred tax are as follows:

	2017 £000	2016 £000
Balance at 1 October 2016	97	57
Profit and loss charge (note 9)	121	45
Rate change (note 9)	(3)	(5)
Balance at 30 September 2017	<u>215</u>	<u>97</u>

The net deferred tax liability for which provision has been made is analysed as follows:

Impairment and other provisions	-	-
Other timing differences	215	97
Net deferred tax liability	<u>215</u>	<u>97</u>

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

15. CREDITORS

	2017 £000	2016 £000
Amounts falling due within one year:		
Amounts due to group companies	9,167	11,469
Corporation tax	439	169
Accruals and deferred income	347	285
	<u>9,953</u>	<u>11,923</u>

Included with the accruals and deferred income balance is an amount of £97,000 (2016: £107,000) due to fellow subsidiaries of Paragon Banking Group PLC.

	2017 £000	2016 £000
Amounts falling due after more than one year:		
Asset backed loan notes	43,714	54,336
Intercompany subordinated loan	13,500	13,500
	<u>57,214</u>	<u>67,836</u>

Included within the asset backed loan notes balance is an amount of £1,393,000 (2016: £1,634,000) due to fellow subsidiaries of Paragon Banking Group PLC.

A maturity analysis and further details of the asset backed loan notes are given in note 16.

NOTES TO THE ACCOUNTS

YEAR ENDED 30 SEPTEMBER 2017

16. BORROWINGS

The asset backed floating rate notes are secured over a portfolio comprising variable secured loans secured by first charges over residential properties in the United Kingdom. The notes are subject to mandatory redemption in part on each interest payment date in an amount equal to the principal received or recovered in respect of the mortgage. As a result of this structure, cash received in respect of loan assets is not immediately available for distribution. At 30 September 2017, the amount of restricted cash and investments held within the Company was £18,453,000 (2016: £18,389,000). The maturity date of the notes matches the maturity date of the underlying assets. It is likely that a substantial proportion of these notes will be repaid within five years.

The Company had the option to repay all of the notes at an earlier date (the 'call date'), or at any interest payment date thereafter, at the outstanding principal amount.

Interest is payable at a fixed margin above:

- the London Interbank Offered Rate ('LIBOR') on notes denominated in sterling;

All payments in respect of the notes are required to be made in the currency in which they are denominated.

Notes in issue at 30 September 2017 and 30 September 2016 were:

Notes	Maturity date	Call date	Principal outstanding		Note margin	
			2017	2016	2017	2016
			£m	£m		
'A'	Nov 2035	Nov 2009	22.4	29.3	0.40%	0.40%
'B'	Nov 2035	Nov 2009	13.0	15.3	1.50%	1.50%
'C'	Nov 2035	Nov 2009	8.4	9.8	2.00%	2.00%

All of the above notes are listed on the main market of the London Stock Exchange.

There is a subordinated loan facility under which an amount was drawn down by the Company to establish the first loss fund, which is repayable to Paragon Finance PLC on the earlier of the last interest payment date in November 2035 or the first day on which there are no notes outstanding, except that on any interest payment date sums borrowed will be repaid to the extent of any amount released from the first loss fund. Interest is payable at the rate of 4% above the London Interbank Offered Rate for three month sterling deposits.

There are no amounts of committed but undrawn facilities at 30 September 2017 and September 2016.

17. ULTIMATE PARENT COMPANY

The smallest and largest group into which the Company is consolidated, and the Company's immediate and ultimate parent company and ultimate controlling party is Paragon Banking Group PLC formerly known as The Paragon Group of Companies PLC, a company registered in England and Wales.

Copies of the Group's financial statements are available from that company's registered office at 51 Homer Road, Solihull, West Midlands, B91 3QJ.
