DIRECTORS' REPORT FOR THE YEAR ENDED 31 DECEMBER 2017

The Directors present their report and the financial statements of HGI (Investments) Limited ("the Company") for the year ended 31 December 2017.

The Directors have prepared the report in accordance with the small companies regime and taken advantage of the small companies' exemption (Companies Act 2006 (section 414B)) in not preparing a Strategic Report. The Company would have otherwise qualified as a small company was it not a member of an ineligible group.

PRINCIPAL ACTIVITIES AND FUTURE OUTLOOK

The principal activity of the Company was that of an investment holding company. However, during the year the Company disposed of its remaining investments.

BUSINESS REVIEW

The Company is a wholly owned subsidiary of Janus Henderson Group plc ("JHG plc" or "the Group"). The Group is run on an integrated basis through business units, not by the legal construct of its subsidiaries. Therefore the Company's strategy and business model is governed by that of the Group which is set out in detail in the Annual Report and Accounts of the Group, which can be obtained from its registered office as set out in note 17. The Group provides investment management services to clients throughout Europe, the Americas and Asia. The Group manages a broad range of actively managed investment products for institutional and retail investors, across multiple asset classes, including equities, fixed income, multi asset and alternatives.

On 30 May 2017, Henderson Group plc completed a merger with Janus Capital Group, Inc and was renamed Janus Henderson Group plc. This merger did not impact the principal activities or the financial statements of the Company for the year ended 31 December 2017.

RESULTS AND DIVIDENDS

The profit for the financial year, after taxation, amounted to £103,000 (2016: £366,000).

There were no dividends paid in the year under review (2016: £nil).

DIRECTORS

The Directors who served during the year and up to the date of signing the financial statements were:

D W Burrowes (resigned 26 July 2017)
A J Formica (resigned 31 July 2018)
A N Kurzon (appointed 24 July 2017)
R M Thompson

DIRECTORS' INDEMNITY

The Group provides a deed of indemnity to the Directors to the extent permitted by United Kingdom law whereby the Group is able to indemnify a director against any liability incurred in proceedings in which the Director is successful, and against the cost of successfully applying to the court to be excused for breach of duty where the Director acted honestly and reasonably. The indemnity has been in force for the year to 31 December 2017 and up to the date of approval of the report and financial statements.

GOING CONCERN

The Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis for the preparation of the annual financial statements.

HGI (INVESTMENTS) LIMITED

**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2017**

DISCLOSURE OF INFORMATION TO AUDITORS

So far as each person who was a Director at the date of approving this report is aware, there is no relevant audit information of which the Auditors are unaware. Each Director has taken all the steps that they are obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the Auditors are aware of that information.

PRINCIPAL RISKS AND UNCERTAINTIES

The Group's risk management framework ensures it meets its business objectives within acceptable risk parameters and it is reviewed regularly to early identify new and emerging risks. The Group's culture embeds the management of risk at all levels within the organisation. Please refer to the Group Annual Report and Accounts as detailed in note 17 for the major risks affecting the Group.

EVENTS AFTER THE END OF THE REPORTING PERIOD

There have been no significant events affecting the Company since the year end other than the following item, which is a non-adjusting event. On 21 September 2018, the Directors approved the payment of an interim dividend of £2,466,000.

INDEPENDENT AUDITORS

It is the intention of the Directors to reappoint the Auditors under the deemed appointment rules of section 487 of the Companies Act 2006.

This report was approved by the Board on 21 September 2018 and signed by order of the Board by:

**DIRECTORS' RESPONSIBILITIES STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2017**

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework' ('FRS 101').

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

HGI (INVESTMENTS) LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HGI (INVESTMENTS) LIMITED

Report on the audit of the financial statements

Opinion

In our opinion, HGI (Investments) Limited's financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the statement of financial position as at 31 December 2017; the income statement and the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Company's ability to continue as a going concern.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

HGI (INVESTMENTS) LIMITED

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF HGI (INVESTMENTS) LIMITED

Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 December 2017 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the Directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the Directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The Directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

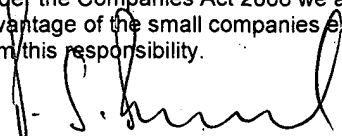

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the Company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Entitlement to exemptions

Under the Companies Act 2006 we are required to report to you if, in our opinion, the Directors were not entitled to take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1. ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared under the historical cost convention, except for certain financial instruments that have been measured at fair value, and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' ('FRS101') and the Companies Act 2006.

The Company financial statements are presented in GBP and all values are rounded to the nearest thousand pounds, except where otherwise indicated. The Company is a private limited company incorporated and domiciled in the UK.

Accounting policies have been consistently applied to all the years presented unless otherwise stated.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. In the process of applying the Company's accounting policies, management has made significant judgements involving estimations and assumptions. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

The Company's immediate controlling party is HGI Group Limited and its ultimate parent is Janus Henderson Group plc. The Company's results form part of the consolidated financial statements of Janus Henderson Group plc which are publically available, see note 17. Therefore the Company is exempt by virtue of section 401 of the Companies Act 2006 from the requirement to prepare consolidated financial statements.

1.2 FINANCIAL REPORTING STANDARD 101 - REDUCED DISCLOSURE EXEMPTIONS

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of paragraphs 62, B64(d), B64(e), B64(g), B64(h), B64(j) to B64(m), B64(n)(ii), B64(o)(ii), B64(p), B64(q)(ii), B66 and B67 of IFRS 3 Business Combinations;
- the requirements of IFRS 7 Financial Instruments: Disclosures;
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of paragraph 79(a)(iv) of IAS 1;
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements;
- the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- the requirements of paragraph 17 of IAS 24 Related Party Disclosures;
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member; and
- the requirements of paragraphs 134(d)-134(f) and 135(c)-135(e) of IAS 36 Impairment of Assets.

1.3 GOING CONCERN

The financial statements have been prepared on a going concern basis.

HGI (INVESTMENTS) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2017

1. ACCOUNTING POLICIES (CONTINUED)

1.4 OPERATING EXPENSES

Operating expenses are accrued and recognised as incurred.

1.5 DIVIDENDS RECEIVED FROM SUBSIDIARY UNDERTAKING

Dividends received from subsidiary undertakings are recognised on the date that the right to receive payment has been established.

1.6 FINANCE INCOME AND EXPENSE

Interest income and interest expense is recognised as it accrues using the effective interest rate method.

1.7 INCOME TAX

The Company provides for current tax expense according to the tax laws in each jurisdiction in which it operates, using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised only to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised, based on tax rates and tax laws that have been enacted or substantively enacted by the reporting date.

Income tax relating to items recognised in the Statement of Comprehensive Income and Statement of Changes in Equity is also recognised in the respective statement and not in the Income Statement.

1.8 INVESTMENTS

Investments consist of investments in subsidiary undertakings, including controlled structured entities, which are held at cost less any impairment in value where circumstances indicate that the carrying value may not be recoverable.

1.9 FINANCIAL ASSETS

Purchases and sales of financial assets are recognised at the trade date, being the date when the purchase or sale becomes contractually due for settlement. Delivery and settlement terms are usually determined by established practices in the market concerned.

Trade and other receivables

Trade and other receivables are initially recognised at fair value. When the time value of money is material, the fair value is discounted. Provision for specific doubtful debts is made when there is evidence that the Company may not be able to recover balances in full. Balances are written off when the receivable amount is deemed irrecoverable.

HGI (INVESTMENTS) LIMITED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017**

1. ACCOUNTING POLICIES (CONTINUED)

1.10 FINANCIAL LIABILITIES

Financial liabilities including trade and other payables are stated at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any issue costs and any discount or premium on settlement.

1.11 FOREIGN CURRENCY TRANSLATION

The functional currency of the Company is GBP. Transactions in foreign currencies are recorded at the appropriate exchange rate prevailing at the date of the transaction. Foreign currency monetary balances at the reporting date are converted at the prevailing exchange rate. Foreign currency non-monetary balances carried at fair value or cost are translated at the rates prevailing at the date when the fair value or cost is determined. Gains and losses arising on retranslation are taken to the Income Statement.

1.12 SHARE CAPITAL

The Company's shares of £1 each are classified as equity instruments. Shares issued by the Company are recorded at the fair value of the proceeds received or the market price on the day of issue.

2. JUDGEMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the process of applying the Company's accounting policies, management has made significant judgements involving estimations and assumptions which are summarised below:

Interests in structured entities

Interests in structured entities are treated as subsidiaries on the basis of control. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with an entity and has the ability to affect those returns through its power over the entity.

Impairment of investments

Investments are reviewed for impairment at each reporting date or more frequently if there are indicators that the carrying value is impaired. Management also exercises judgement in determining whether a decrease in the value of an asset meets the prolonged and significant test.

3. OPERATING EXPENSES

Operating expenses comprise:

	2017	2016
	£000	£000
Foreign exchange differences	(103)	22
	<u>(103)</u>	<u>22</u>

4. AUDITORS' REMUNERATION

Auditors' remuneration of £7,119 (2016: £6,912) in respect of the audit of the Company's financial statements is borne by a fellow Group undertaking.

The Company had no direct or indirect subsidiaries at the end of 2017. Auditors' remuneration of £10,000 was recorded in 2016 in relation to the audit of the financial statements of the Company's direct and indirect subsidiaries and was also borne by a fellow group undertaking.

5. EMPLOYEES

The Company did not have employees during the current or prior year. The UK group employees' contracts of employment are with Henderson Administration Limited, a group undertaking, and staff costs are disclosed in that company's financial statements.

6. DIRECTORS' REMUNERATION

The Directors of the Company were employed and remunerated as directors and executives of the Group in respect of their services to the Group as a whole. The Directors believe that it is not practicable to apportion part of their remuneration to their services as Directors of the Company.

A J Formica was also a Director of Janus Henderson Group plc during the year and particulars of his remuneration for the year is set out in the Group's Annual Report and Accounts as described in note 17.

The Directors are all paid by Henderson Administration Limited and further details of remuneration paid to the Directors are set out in the financial statements of that entity.
