**DIRECTORS' REPORT  
FOR THE YEAR ENDED 30 JUNE 2018**

The directors present their report and the Financial Statements for the year ended 30 June 2018.

**Results and dividends**

The profit for the year, after taxation, amounted to \$10,573,000 (2017 - \$12,220,000).

The Company paid a dividend of \$2,231,946,000 in the current year (2017 - \$NIL).

On 11 May 2018 a special resolution was passed to cancel and extinguish 78,238,468 issued ordinary shares of €1 and to cancel and extinguish 1,644,923,571 redeemable preference shares of \$1. The amount of capital reduced was credited to reserves.

**Directors**

The directors who served during the year were:

C Cheetham  
R Dixon  
M Watts

**Directors' responsibilities statement**

The directors are responsible for preparing the Annual Report and Financial Statements in accordance with applicable law and regulations.

Company law requires the directors to prepare Financial Statements for each financial year. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework'. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these Financial Statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, including FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Disclosure of information to auditors**

Each of the persons who are directors at the time when this Directors' Report is approved has confirmed that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

**Post balance sheet events**

There have been no significant events affecting the Company since the year end.

On 6 August 2018, it was announced that Amcor Limited, the Company's ultimate parent, will acquire Bemis in a US\$6.8 billion, all-stock transaction.

**Independent Auditors**

The auditors, PricewaterhouseCoopers LLP, will be proposed for reappointment in accordance with section 485 of the Companies Act 2006.

**Small companies note**

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the board on 27 September 2018 and signed on its behalf.

M Watts  
Director

# ***Independent auditors' report to the members of Amcor European Investments Limited***

## **Report on the audit of the financial statements**

---

### **Opinion**

In our opinion, Amcor European Investments Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the statement of financial position as at 30 June 2018; the statement of comprehensive income, the statement of changes in equity for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

---

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Independence***

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

---

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

---

### **Reporting on other information**

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

## **Directors' Report**

In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 30 June 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Directors' Report.

## **Responsibilities for the financial statements and the audit**

### *Responsibilities of the directors for the financial statements*

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### *Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

### *Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

## **Other required reporting**

### **Companies Act 2006 exception reporting**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

---

### **Entitlement to exemptions**

Under the Companies Act 2006 we are required to report to you if, in our opinion, the directors were not entitled to: take advantage of the small companies exemption in preparing the Directors' Report; and take advantage of the small companies exemption from preparing a strategic report. We have no exceptions to report arising from this responsibility.

The notes on pages 9 to 16 form part of these financial statements.

**1. General information**

Ancor European Investments Limited is a company limited by shares and incorporated in the United Kingdom and limited by shares. The address of the registered office is 83 Tower Road North, Warmley, Bristol, BS30 8XP.

The company provides financing for other group companies.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 101 'Reduced Disclosure Framework' and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company accounting policies (see note 3).

**2.2 Financial reporting standard 101 - reduced disclosure exemptions**

The company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments: Disclosures
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurement
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - paragraph 79(a)(iv) of IAS 1;
- the requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134-136 of IAS 1 Presentation of Financial Statements
- the requirements of IAS 7 Statement of Cash Flows
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- the requirements of paragraph 17 and 18A of IAS 24 Related Party Disclosures
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member

**2.3 New standards and interpretations, and interpretations not yet adopted**

There were a number of amendments to existing standards and interpretations that were effective for the current period, but none of these has a material impact on the company.

IFRS 9 'Financial Instruments' will be effective for the year ended 30 June 2018 onwards, the main impact being the impairment assessment methodology used to value trade receivables. The Company is currently in the process of finalising the assessment of the impact on the Financial Statements, however, this is not expected to be significant.

**2.4 Going concern**

The financial statements have been prepared on a going concern basis in accordance with the Companies Act 2006.

**2. Accounting policies (continued)**

**2.5 Debtors**

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

**2.6 Cash and cash equivalents**

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

**2.7 Financial instruments**

The Company recognises financial instruments when it becomes a party to the contractual arrangements of the instrument. Financial instruments are de-recognised when they are discharged or when the contractual terms expire. The Company's accounting policies in respect of financial instruments transactions are explained below:

**Financial assets**

The Company classifies all of its financial assets as loans and receivables.

**Loans and receivables**

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers (e.g. trade receivables), but also incorporate other types of contractual monetary asset. They are initially recognised at fair value plus transaction costs that are directly attributable to their acquisition or issue, and are subsequently carried at amortised cost using the effective interest rate method, less provision for impairment.

Impairment provisions are recognised when there is objective evidence (such as significant financial difficulties on the part of the counterparty or default or significant delay in payment) that the Company will be unable to collect all of the amounts due under the terms receivable, the amount of such a provision being the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable. For trade receivables, which are reported net, such provisions are recorded in a separate allowance account with the loss being recognised within administrative expenses in the Statement of Comprehensive Income. On confirmation that the trade receivable will not be collected, the gross carrying value of the asset is written off against the associated provision.

**Financial liabilities**

The Company classifies all of its financial liabilities as liabilities at amortised cost.

**At amortised cost**

Financial liabilities at amortised cost including bank borrowings are initially recognised at fair value net of any transaction costs directly attributable to the issue of the instrument. Such interest bearing liabilities are subsequently measured at amortised cost using the effective interest rate method, which ensures that any interest expense over the period to repayment is at a constant rate on the balance of the liability carried into the Statement of Financial Position.

**2. Accounting policies (continued)**

**2.8 Creditors**

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers.

Creditors are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

**2.9 Foreign currency translation**

**Functional and presentation currency**

The Company's functional and presentational currency is USD.

**Transactions and balances**

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Comprehensive Income except when deferred in other comprehensive income as qualifying cash flow hedges.

The exchange rate at the balance sheet date was \$1 = £0.7651 (2017 - £0.7696).

**2.10 Finance costs**

Finance costs are charged to the Statement of Comprehensive Income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

**2.11 Dividends**

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting.

**2.12 Interest income**

Interest income is recognised in the Statement of Comprehensive Income using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2018

2. Accounting policies (continued)

2.13 Taxation

Tax is recognised in the Statement of Comprehensive Income, except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

3. Critical accounting estimates and judgments

Management does not believe that there are any critical accounting estimates or assumptions made when applying the Company's accounting policies.

4. Employees

The average monthly number of employees, including the directors, during the year was as follows:

	2018 No.	2017 No.
Administration	3	3

During the year, no director received any emoluments (2017 - \$NIL).

The emoluments of the directors are paid by a fellow group company, which makes no recharge to the Company. All directors are directors of a number of fellow subsidiaries and it is not possible to make an accurate apportionment of their emoluments in respect of each of the subsidiaries. Accordingly the above details include no emoluments in respect of the directors.

Auditors' remuneration in respect of the audit of the Company was borne by a fellow subsidiary in the current and prior year and has not been recharged to the Company.

5. Interest receivable and similar income

	2018 \$000	2017 \$000
Interest receivable from group companies	13,085	15,312
Bank interest receivable	72	1
	<u>13,157</u>	<u>15,313</u>

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2018**6. Interest payable and similar expenses**

	2018 \$000	2017 \$000
Bank interest payable	10	18
Foreign exchange losses	91	54
	<u>101</u>	<u>72</u>

**7. Tax on profit**

	2018 \$000	2017 \$000
<b>Corporation tax</b>		
Current tax on profits for the year	2,480	3,008
	<u>2,480</u>	<u>3,008</u>
<b>Total current tax</b>	<u>2,480</u>	<u>3,008</u>

**Factors affecting tax charge for the year**

The tax assessed for the year is the same as (2017 - the same as) the standard rate of corporation tax in the UK of 19.00% (2017 - 19.75%) as set out below:

	2018 \$000	2017 \$000
Profit before taxation	<u>13,053</u>	<u>15,229</u>
Profit before taxation multiplied by standard rate of corporation tax in the UK of 19.00% (2017 - 19.75%)	<u>2,480</u>	<u>3,008</u>
<b>Total tax charge for the year</b>	<u>2,480</u>	<u>3,008</u>

**Factors that may affect future tax charges**

The main rate of corporation tax in the UK reduced from 20% to 19% on 1 April 2017. A further reduction to 17% was legislated in Finance Bill 2017 which was substantively enacted on 6 September 2016.

Financial liabilities measured at amortised cost comprise amounts owed to group undertakings.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2018

13. Called up share capital

	2018 \$000	2017 \$000
<b>Allotted, called up and fully paid</b>		
1 (2017 - 78,238,469) ordinary share of €1	-	104,025
1 (2017 - 1,644,923,572) fixed rate, non participating, redeemable, non voting preference share of \$1	-	1,644,924
	<u>-</u>	<u>1,748,949</u>
	<u><u>-</u></u>	<u><u>1,748,949</u></u>

On 11 May 2018 a special resolution was passed to cancel and extinguish 78,238,468 issued ordinary shares of €1 and to cancel and extinguish 1,644,923,571 redeemable preference shares of \$1. The amount of capital reduced was credited to reserves.

14. Security

The Company participates in a group cash pooling arrangement between the banking providers and other members of the Amcor group. All members of the group cash pool arrangement are jointly and severally liable for any payment default. As at 30 June 2018, the cash pool was in a net surplus position of €62,700,000 (2017 - €27,000,000).

15. Ultimate parent undertaking and controlling party

The immediate parent undertaking is Amcor Holding, registered in England and Wales.

The ultimate parent undertaking and controlling party is Amcor Limited, incorporated in Australia, which is the parent undertaking of the largest and smallest group to consolidate these financial statements. Copies of Amcor Limited consolidated financial statements can be obtained from the Company Secretary at 109 Burwood Road, Hawthorn, Victoria 3122, Australia.

On 6 August 2018, it was announced that Amcor Limited, the Company's ultimate parent, will acquire Bemis in a US\$6.8 billion, all-stock transaction.
