DIRECTORS' REPORT

The directors of R.B. Leasing Company Limited ("the Company") present their annual report together with the audited financial statements for the year ended 30 September 2018.

ACTIVITIES AND BUSINESS REVIEW

This Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption and therefore does not include a Strategic report.

Activity

The principal activity of the Company continues to be the provision of fixed asset finance usually involving individually structured facilities. The Company currently holds two aircraft under a finance lease.

Review of the year**Business review**

The directors are satisfied with the company's performance in the year. The Company will be guided by its shareholders in seeking further opportunities for growth.

Financial performance

The loss after tax for the year was \$139,000 (2017: \$191,000) and this was transferred to reserves. The directors do not recommend the payment of dividend (2017: nil). The Company's financial performance is presented in Statement of Comprehensive income on page 8.

Principal risks and uncertainties

The Company seeks to minimise its exposure to financial risks other than credit risk.

Management focuses on both the overall balance sheet structure and the control, within prudent limits, of risk arising from mismatches, including currency, maturity, interest rate and liquidity. It is undertaken within limits and other policy parameters set by the Group Asset and Liability Management Committee (Group ALCO).

The Company is funded by facilities from Royal Bank Leasing Limited. These are denominated in US Dollars which is the functional currency and carry no significant financial risk.

The Company's assets mainly comprise finance lease receivables which would expose it to interest, currency, credit, liquidity and operational risk except that the counterparties are group companies and credit risk is not considered significant.

DIRECTORS' REPORT

Principal risks and uncertainties (continued)

The principal risks associated with the Company are as follows:

Interest rate risk

Structural interest rate risk arises where assets and liabilities have different re-pricing maturities.

The Company manages interest rate risk by monitoring the consistency in the interest rate profile of its assets and liabilities, and limiting any re-pricing mismatches.

Currency risk

The Company does not maintain material non-trading open currency positions.

The Company undertakes certain transactions denominated in foreign currencies, hence exchange rate fluctuations arise. The Company's policy is normally to match foreign currency receivables with borrowings in the same currency.

Credit risk

Credit risk is the risk that companies, financial institutions, individuals and other counterparties will be unable to meet their obligations to the Company.

All material loans receivable are with group undertakings. Although credit risk arises this is not considered to be significant and no amounts are past due.

Liquidity risk

Liquidity risk arises where assets and liabilities have different contractual maturities. Management focuses on risk arising from the mismatch of maturities across the balance sheet and from undrawn commitments and other contingent obligations.

Operational risk

Operational risk is the risk of unexpected losses attributable to human error, systems failures, fraud or inadequate internal financial controls and procedures. The Company manages this risk, in line with the RBS group framework, through systems and procedures to monitor transactions and positions, the documentation of transactions and periodic review by internal audit. The Company also maintains contingency facilities to support operations in the event of disasters.

Going Concern

The directors, having a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, have prepared the financial statements on a going concern basis.

DIRECTORS' REPORT**DIRECTORS AND SECRETARY**

The present directors and secretary, who have served throughout the year except where noted below, are listed on page 1.

From 1 October 2017 to date the following changes have taken place:

	Appointed	Resigned
Directors		
E Mayes	-	6 March 2018
D G Harris	-	8 January 2019
S J Roulton	-	8 January 2019
I A Ellis	6 March 2018	8 January 2019
K D Pereira	8 January 2019	-
S P Nixon	8 January 2019	26 April 2019
S C Lowe	26 April 2019	-

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare a Directors' report and financial statements for each financial year. Under that law, the directors have elected to prepare the financial statements in accordance with Financial Reporting Standard (FRS) 101 Reduced Disclosure Framework and must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs at the end of the year and the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether FRS 101 has been followed; and
- make an assessment of the Company's ability to continue as a going concern.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the Directors' report and financial statements comply with the requirements of the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DISCLOSURE OF INFORMATION TO AUDITOR

Each of the directors at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information, and to establish that the Company's auditor is aware of that information.

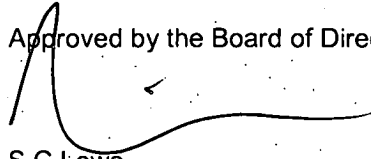

This confirmation is given and shall be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

DIRECTORS' REPORT

AUDITOR

Ernst & Young LLP has expressed its willingness to continue in office as auditor.

Approved by the Board of Directors and signed on its behalf:

A handwritten signature in black ink, appearing to be 'S C Lowe', with a long horizontal flourish extending to the right.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF R.B. LEASING COMPANY LIMITED

Opinion

We have audited the financial statements of R.B Leasing Company Limited ('the Company') for the year ended 30 September 2018 which comprise the Statement of Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and the related notes 1 to 16, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 "Reduced Disclosure Framework" United Kingdom Generally Accepted Accounting Practice.

In our opinion, the financial statements:

- give a true and fair view of the Company's affairs as at 30 September 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF R.B. LEASING COMPANY LIMITED

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption in preparing the directors' report and from the requirements to prepare a strategic report.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The financial statements of the Company were approved by the Board of Directors on 26 June 2019 and signed on its behalf by:

S C Lowe
Director

STATEMENT OF CHANGES IN EQUITY
for the year ended 30 September 2018

	Share capital \$'000	Capital contribution \$'000	Profit and loss account \$'000	Total \$'000
At 1 October 2016	102	-	(5,374)	(5,272)
Loss for the year	-	-	(191)	(191)
At 30 September 2017	102	-	(5,565)	(5,463)
Capital contribution	-	5650	-	5,650
Loss for the year	-	-	(139)	(139)
At 30 September 2018	102	5,650	(5,704)	48

Total comprehensive loss for the year of \$139,000 (2017: \$191,000) was wholly attributable to the owners of the Company.

Fellow subsidiary Royal Bank Leasing Limited provided loan waivers, represented in the accounts as capital contributions, to enable the company to have sufficient reserves ahead of transfer to new parent Lombard Corporate Finance (11) Ltd in April 2018.

The accompanying notes form an integral part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS**1. Accounting policies****a) Preparation and presentation of financial statements**

These financial statements are prepared:

- on a going concern basis;
- under Financial Reporting Standard (FRS) 101 Reduced Disclosure Framework in accordance with the recognition and measurement principles of International Financial Reporting Standards issued by the International Accounting Standards Board (IASB) and interpretations issued by the International Financial Reporting Interpretations Committee of the IASB as adopted by the EU (together IFRS); and
- on the historical cost basis.

The Company has adopted all of the amendments to FRS 101 as a result of the Triennial review 2017 amendments with effect from 1st January 2018.

The Company meets the definition of a qualifying entity under FRS 100 Application of Financial Reporting Requirements issued by the Financial Reporting Council.

The Company is incorporated in the UK and registered in England and Wales and the financial statements are presented:

- in accordance with the Companies Act 2006;
- in US dollars which is the functional currency of the Company; and
- with the benefit of the disclosure exemptions permitted by FRS 101 with regard to:
 - ◆ comparative information in respect of certain assets;
 - ◆ cash-flow statement;
 - ◆ standards not yet effective;
 - ◆ related party transactions; and
 - ◆ disclosure requirements of IFRS 7 "Financial Instruments: Disclosure and IFRS 13 "Fair value Measurement"

Where required, equivalent disclosures are given in the group accounts of The Royal Bank of Scotland Group plc, these accounts are available to the public and can be obtained as set out in note 16.

The changes to IFRS that were effective from 1 October 2017 have had no material effect on the Company's Financial Statements for the year ended 30 September 2018.

b) Consolidated financial statements

The financial statements contain information about the Company as an individual company and do not contain Consolidated financial information as the parent of a group. The Company is exempt under IFRS 10 Consolidated Financial Statements and section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as in accordance with IFRS 10 the Company and its subsidiaries are included by full consolidation in the IFRS consolidated financial statements of its ultimate parent, The Royal Bank of Scotland Group plc, a public company registered in Scotland whose registered address is 36 Andrew Square, Edinburgh, EH2 2YB.

c) Foreign currencies

Transactions in foreign currencies are translated into US dollars at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated into US dollars at the rates of exchange ruling at the balance sheet date. Foreign exchange differences arising on translation are reported in the profit and loss account.

d) Revenue recognition

Turnover comprises income from finance leases, loans and other services and arises in the United Kingdom from continuing activities.

Finance lease income is allocated to accounting periods so as to give a constant periodic rate of return before tax on the net investment. Unguaranteed residual values are subject to regular review; if there is a reduction in the estimated unguaranteed residual value, income allocation is revised and any reduction in respect of amounts accrued is recognised immediately.

NOTES TO THE FINANCIAL STATEMENTS**1. Accounting policies (continued)****d) Revenue recognition (continued)**

Interest income on financial instruments that are measured at amortised cost is determined using the effective interest rate method. The effective interest rate allocates the interest income or interest expense over the expected life of the asset or liability at the rate that exactly discounts all estimated future cash flows to equal the instrument's initial carrying amount. Calculation of the effective interest rate takes into account fees payable or receivable that are an integral part of the instrument's yield, premiums or discounts on acquisition or issue, early redemption fees and transaction costs. All contractual terms of a financial instrument are considered when estimating future cash flows. Negative effective interest accruing to financial assets is presented in interest payable.

Secondary period income is recognised in line with IAS 18 'Revenue' in the period which it occurs.

IFRS requires rental income to be calculated using the interest rate at inception of the lease; variations from that rate are presented as contingent rentals.

e) Taxation

Income tax expense or income, comprising current tax and deferred tax, is recorded in the Profit and Loss Account except income tax on items recognised outside profit or loss which is credited or charged to other comprehensive income or to equity as appropriate.

Current tax is income tax payable or recoverable in respect of the taxable profit or loss for the year arising in income or in equity. Provision is made for current tax at rates enacted or substantively enacted at the balance sheet date.

Deferred tax is the tax expected to be payable or recoverable in respect of temporary differences between the carrying amount of an asset or liability for accounting purposes and its carrying amount for tax purposes. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered. Deferred tax is not recognised on temporary differences that arise from initial recognition of an asset or liability in a transaction (other than a business combination) that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred tax is calculated using tax rates expected to apply in the periods when the assets will be realised or the liabilities settled, based on tax rates and laws enacted, or substantively enacted, at the balance sheet date.

f) Investments in group undertakings

Investments in group undertakings are stated at cost less any impairment.

g) Leases

Contracts to lease assets are classified as finance leases if they transfer substantially all the risks and rewards of ownership of the asset to the customer; all other contracts with customers to lease assets are classified as operating leases.

Finance lease receivables are stated in the balance sheet at the amount of the net investment in the lease being the minimum lease payments and any unguaranteed residual value discounted at the interest rate implicit in the lease.

h) Financial assets

On initial recognition, financial assets are classified into loans and receivables.

Loans and receivables

Non-derivative financial assets with fixed or determinable repayments that are not quoted in an active market are classified as loans and receivables, except those that are classified as available-for-sale or as held-for-trading, or designated as at fair value through profit or loss. Loans and receivables are initially recognised at fair value plus directly related transaction costs. They are subsequently measured at amortised cost using the effective interest method.

NOTES TO THE FINANCIAL STATEMENTS**1. Accounting policies (continued)****i) Impairment of financial assets**

The Company assesses at each balance sheet date whether there is any objective evidence that a financial asset or group of financial assets classified as held-to-maturity, available-for-sale or loans and receivables is impaired. A financial asset or portfolio of financial assets is impaired and an impairment loss incurred if there is objective evidence that an event or events since initial recognition of the asset have adversely affected the amount or timing of future cash flows from the asset.

j) Financial liabilities

On initial recognition financial liabilities are classified at amortised cost.

k) Derecognition

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired or when it has been transferred and the transfer qualifies for derecognition in accordance with IAS 39 "Financial Instruments: Recognition and Measurement".

A financial liability is removed from the Balance Sheet when the obligation is discharged, cancelled or expires.

l) Obligations under finance leases

Assets held under finance leases are recognised as assets at the present value of the minimum lease payments determined at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly to the profit or loss account.

2. Critical accounting policies and key sources of estimation uncertainty

The reported results of the Company are sensitive to the accounting policies, assumptions and estimates that underlie the preparation of its financial statements. In accordance with their responsibilities for these financial statements, the factors the directors consider most important to the portrayal of the Company's performance and financial condition are discussed below.

Leased assets

Judgement is required in the classification of a lease at inception and after any material amendment to assess whether substantially all the significant risks and rewards of ownership accrue to the lessor or the lessee.

NOTES TO THE FINANCIAL STATEMENTS

3. Turnover

	2018 \$'000	2017 \$'000
Finance lease income:		
Rents receivable	2	2
Amortisation	(2)	(2)
Rents receivable under head lease	2	2
	<u>2</u>	<u>2</u>

The Company did not enter into any new leasing transactions during the year (2017: none).

4. Operating expenses

	2018 \$'000	2017 \$'000
Audit fee	20	3
Administrative expenses	9	9
Management fees	36	32
	<u>65</u>	<u>44</u>

Management fees include the costs of staff and directors borne by other members of the group, none of which can be apportioned meaningfully in respect of services to the Company.

5. Finance costs

	2018 \$'000	2017 \$'000
Interest on loans from group companies	85	143
Obligations under finance lease	2	2
	<u>87</u>	<u>145</u>

6. Tax

	2018 \$'000	2017 \$'000
Current tax:		
UK corporation tax credit for the year	(45)	(45)
Over provision in respect of prior periods	-	(1)
	<u>(45)</u>	<u>(46)</u>
Deferred tax:		
Charge for the year	34	50
Tax (credit)/charge for the year	<u>(11)</u>	<u>4</u>

The actual tax (credit)/charge differs from the expected tax (credit)/charge computed by applying the standard rate of UK corporation tax of 19% (2017: blended tax rate 19.5%) as follows:

	2018 \$'000	2017 \$'000
Expected tax credit	(29)	(37)
Non-deductible items	18	30
Impact of rate change	-	11
Tax (credit)/charge for the year	<u>(11)</u>	<u>4</u>

NOTES TO THE FINANCIAL STATEMENTS

6. Tax (continued)

In recent years the UK Government has steadily reduced the rate of UK corporation tax, with the latest rates substantively enacted at the balance sheet date standing at 19% from 1 April 2017 and 17% from 1 April 2020. The closing deferred tax assets and liabilities have been calculated taking into account that existing temporary differences may unwind in periods subject to the reduced rates.

Deferred tax

Deferred tax asset comprises:

	Capital allowances \$'000
At 1 October 2016	(481)
Charge to profit and loss	50
At 30 September 2017	(431)
Charge to profit and loss	34
At 30 September 2018	(397)

7. Investments in subsidiaries

Investments in group undertakings are carried at cost less impairment. Carrying value was as follows:

	2018	2017
	\$	\$
At 1 October 2017 and 30 September 2018	<u>100</u>	<u>100</u>

The subsidiary undertaking of the Company, which has an accounting reference date of 30 September, unless otherwise indicated, is:

Name of subsidiary	Country of incorporation and operations	Proportion of ownership interest %	Proportion of voting power held %	Principal activity
R.B. Leasing BDA One Limited	Bermuda	100	100	Lease registration

The capital of the subsidiary undertaking consists of ordinary and preference shares which are unlisted.

NOTES TO THE FINANCIAL STATEMENTS

8. Finance lease receivables

	Within 1 year \$'000	Between 1 and 5 years \$'000	After 5 years \$'000	Total \$'000
2018				
Present value of minimum lease payments receivable	2	4	-	6
2017				
Present value of minimum lease payments receivable	2	807	-	809

	2017 \$'000	2016 \$'000
Due within one year	2	2
Due after more than one year	4	807
	6	809

The Company has entered into finance leasing arrangements for two aircraft. The average term of the finance lease is 10 years (2017: 10 years).

Unguaranteed residual values are estimated at nil (2017: nil).

The average effective interest rate in relation to finance lease agreements approximates 9% (2017: 9%).

Finance lease receivables relating to the aircraft have been fully impaired (see note 14). The remaining rentals relate to a back to back lease arrangement with the subsidiary RB Leasing BDA One Ltd.

9. Prepayments, accrued income and other assets

	2018 \$'000	2017 \$'000
Group relief receivable	95	-

10. Borrowings

	2018 \$'000	2017 \$'000
Overdrafts from NatWest Markets Plc	-	76
Loans from fellow subsidiary	333	5,300
	333	5,376
Current – on demand or within one year	333	1,965
Non-current:		
- between one and two years	-	1,072
- between two and five years	-	2,339
	-	3,411

The Company has no unsecured borrowing from group undertakings greater than five years: nil (2017: nil).

NOTES TO THE FINANCIAL STATEMENTS

11. Trade and other payables

	2018 \$'000	2017 \$'000
Maintenance Reserve	-	801

Refer to note 14 for explanation of decrease in maintenance reserve.

12. Obligations under finance leases

	Within 1 year \$'000	Between 1 and 5 years \$'000	Total \$'000
2018 Net carrying value	2	4	6
2017 Net carrying value	2	6	8

The Company leases two aircraft under finance leases. The average term is 10 years. The counterparty is a subsidiary company.

13. Accruals, deferred income and other liabilities

	2018 \$'000	2017 \$'000
Accruals	121	67

14. Financial assets - impairments

The following table shows the movement in the provision for impairment of finance lease, trade and other receivables.

	2018 \$'000	2017 \$'000
At 1 October 2017	5,617	6,071
Amounts written off	-	(454)
Other	801	-
At 30 September 2018	6,418	5,617

Negotiations to recover outstanding rentals for the aircraft finance leases have deteriorated. Under the terms of the lease agreement the company has the rights to the maintenance reserve without further recourse to the Lessee. The write off of the maintenance reserve was offset against the increase in the provision therefore no charge recorded in the income statement for 2018.

The following table shows the analysis of impaired individually and collectively assessed financial assets.

	2018			2017		
	Gross book value \$'000	Provision \$'000	Net book value \$'000	Gross book value \$'000	Provision \$'000	Net book value \$'000
Finance lease receivables	6,424	6,418	6	6,426	5,617	809

NOTES TO THE FINANCIAL STATEMENTS

15. Share capital

	2018 \$'000	2017 \$'000
Authorised:		
1,000 Ordinary shares of £1	2	2
