2014 Annual Report

## **MORGAN STANLEY SECURITIES LIMITED**

### **STRATEGIC REPORT**

The Directors present their Strategic report for Morgan Stanley Securities Limited (the "Company") for the year ended 31 December 2019.

#### **PRINCIPAL ACTIVITY**

The principal activity of the Company is to enter into financing transactions and investments, with no significant changes expected in 2020.

The Company's ultimate parent undertaking and controlling entity is Morgan Stanley, which, together with the Company and Morgan Stanley's other subsidiary undertakings, form the "Morgan Stanley Group".

#### **BUSINESS REVIEW**

##### **Emergence of COVID-19**

The coronavirus disease (COVID-19) pandemic has, and will likely continue to, severely impact global economic conditions, resulting in substantial volatility in the global financial markets and operational challenges. The extent of the impact is highly uncertain and cannot be predicted and could adversely affect the future operations and financial condition of Morgan Stanley and the Company.

##### **Overview of 2019 performance and key performance indicators**

The Company's main key performance indicators are profit after tax, total assets and total liabilities.

The Company reported a profit after tax for the year of £219,000, compared to a profit after tax of £4,076,000 in the prior year. The profit in the current year mainly comprises net interest income of £194,000 from other Morgan Stanley Group undertakings, while the prior year profit related primarily to £3,903,000 of interest in relation to the Institutional Securities business the Company was engaged in until 2014 and net interest income of £223,000 from other Morgan Stanley Group undertakings.

Total assets have reduced by £6,417,000 to £6,723,000 and total liabilities have reduced by £6,636,000 to £819,000 as at 31 December 2019. This is primarily due to the settlement of a tax liability of £7,419,000 by another Morgan Stanley Group undertaking on behalf of the Company, which has resulted in a decrease in loans and advances and a decrease in current tax liabilities.

#### **RISK MANAGEMENT**

The Directors consider that the Company's key financial risks are credit risk, primarily its concentration of exposure to other Morgan Stanley Group undertakings, and liquidity risk arising primarily through its exposure to other Morgan Stanley Group undertakings presented within other receivables and payables, loans and advances and debt and other borrowings. The Company leverages the Morgan Stanley Group's credit, liquidity and country risk frameworks to identify, measure, monitor and control credit risk and to ensure that the Company has access to adequate funding.

The Company also has some limited exposure to country, operational and legal, regulatory and compliance risks.

The Company leverages the risk management policies and procedures of the Morgan Stanley Group. The Company also manages the risk of potential impact on its business (including but not limited to the impact of the United Kingdom's (the "UK") decision to leave the European Union (the "EU")) by maintaining a constant planning dialogue with the wider Morgan Stanley Group.

### STRATEGIC REPORT (CONTINUED)

#### GOING CONCERN

Business risks associated with the uncertain market and economic conditions are being actively monitored and managed by the Morgan Stanley Group and the Company. Retaining sufficient capital and liquidity to withstand these market pressures remains central to the Morgan Stanley Group and the Company's strategy. The existing and potential effects of COVID-19 on the business of the Morgan Stanley Group and the Company have been considered as part of the going concern analysis, including impact on operational capacity, access to liquidity and capital and contractual obligations. Additionally, the specific impact of Brexit on the business of the Group has been considered. The Company has access to further Morgan Stanley Group capital and liquidity as required.

Taking the above factors into consideration, the Directors believe it is reasonable to assume that the Company will have access to adequate resources to continue in operational existence for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the annual reports and financial statements.

#### SECTION 172 (1) STATEMENT

The Directors are aware of their responsibilities to promote the success of the Company in accordance with s172 of the Companies Act 2006. When making decisions, Directors have regard to the interests of stakeholders relevant to the Company as well as the need to maintain a reputation for high standards of business conduct and the long term consequences of decisions. They also fulfil their responsibilities through the application of Morgan Stanley Group policies and practices, underpinned by Morgan Stanley's five core values of: do the right thing, put clients first, lead with exceptional ideas, commit to diversity and inclusion and give back.

- so far as each of the Directors is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each of the Directors has taken all the steps that he/she ought to have taken as a Director to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY SECURITIES LIMITED**

### **Report of the audit of the financial statements**

#### **Opinion**

In our opinion the financial statements of Morgan Stanley Securities Limited (the "Company"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2019 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 101 "*Reduced Disclosure Framework*"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the statement of changes in equity;
- the statement of financial position; and
- the related notes 1 to 11.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "*Reduced Disclosure Framework*" (United Kingdom Generally Accepted Accounting Practice).

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the "FRC's") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

We are required by ISAs (UK) to report in respect of the following matters where:

- the Directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY SECURITIES LIMITED (CONTINUED)**

### **Other information**

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

### **Responsibilities of Directors**

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY SECURITIES LIMITED (CONTINUED)**

- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic report or the Directors' report.

#### **Matters on which we are required to report by exception**

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

#### **Use of our report**

Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **2. BASIS OF PREPARATION**

##### **Statement of compliance**

These financial statements are prepared on a going concern basis as explained in the Strategic report and under the historical cost convention in accordance with UK GAAP (UK Accounting Standards and applicable law), including FRS 101.

The Company has taken advantage of the disclosure exemptions available under FRS 101 in relation to financial instruments, fair value measurement, capital management, presentation of a cash-flow statement, accounting standards not yet effective and related party transactions.

## **MORGAN STANLEY SECURITIES LIMITED**

### **NOTES TO THE FINANCIAL STATEMENTS**

**Year ended 31 December 2019**

#### **2. BASIS OF PREPARATION (CONTINUED)**

##### **The going concern assumption**

The Company's business activities together with the factors likely to affect its future development, performance and position are reflected in the Business Review section of the Strategic report on page 1.

As set out in the Strategic report, retaining sufficient liquidity and capital to withstand market pressures remains central to the Morgan Stanley Group's and the Company's strategy.

Taking the above factors into consideration, the Directors believe it is reasonable to assume that the Company will have access to adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

#### **3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### **a. Functional currency**

Items included in the financial statements are measured and presented in Pounds Sterling, the currency of the primary economic environment in which the Company operates.

##### **b. Foreign currencies**

Monetary assets and liabilities denominated in currencies other than Pounds Sterling are translated into Pounds Sterling at the rates ruling at the reporting date. Transactions and non-monetary assets and liabilities denominated in currencies other than Pounds Sterling are recorded at the rates prevailing at the dates of the transactions. All translation differences are recognised through the statement of comprehensive income.

##### **c. Financial instruments**

Financial assets and liabilities primarily comprise loans and advances, debt and other borrowings and other receivables and payables.

These are recognised when the Company becomes a party to the contractual provisions of the instrument and are initially measured at fair value and subsequently measured at amortised cost (less allowance for impairment on financial assets). Interest is recognised in the statement of comprehensive income using the effective interest rate ("EIR") method.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risk and rewards of ownership of the asset. The Company derecognises financial liabilities when the Company's obligations are discharged, cancelled or they expire.

##### **d. Impairment of financial assets**

The Company recognises loss allowances for expected credit losses ("ECL") for its financial assets classified at amortised cost. ECL are the present value of cash shortfalls over the expected life of the financial instrument, discounted at the asset's EIR. ECL are recognised in the statement of comprehensive income within 'Net impairment loss on financial instruments' and is reflected against the carrying amount of the impaired asset on the statement of financial position as an ECL allowance. Where there has been a reduction in ECL, this will be recognised within 'Net reversal of impairment loss on financial instruments'.

##### **e. Income tax**

The tax expense represents the sum of the tax currently payable and is calculated based on taxable profit for the year. Taxable profit may differ from profit before taxation as reported in the statement of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting date.

**MORGAN STANLEY SECURITIES LIMITED****NOTES TO THE FINANCIAL STATEMENTS****As at 31 December 2019****4. INTEREST INCOME AND INTEREST EXPENSE**

#### 11. EVENTS AFTER THE REPORTING DATE

Since the balance sheet date, the coronavirus disease (COVID-19) pandemic has, and will likely continue to, severely impact global economic conditions, resulting in substantial volatility in the global financial markets and operational challenges. The extent of the impact is highly uncertain and cannot be predicted and could adversely affect the future operations and financial condition of Morgan Stanley and the Company.
