STRATEGIC REPORT

The Directors present their Strategic report for Morgan Stanley Client Securities Nominees Limited (the "Company") for the year ended 31 December 2019.

PRINCIPAL ACTIVITY

The Company did not trade during the current or prior year but acted as a nominee company for the holding of securities for clients of Morgan Stanley, with no significant changes expected in 2020.

The Company's ultimate parent undertaking and controlling entity is Morgan Stanley, which, together with the Company and Morgan Stanley's other subsidiary undertakings, form the "Morgan Stanley Group". The Company's immediate parent undertaking is Morgan Stanley & Co. International plc.

BUSINESS REVIEW

Emergence of COVID-19

The coronavirus disease (COVID-19) pandemic has, and will likely continue to, severely impact global economic conditions, resulting in substantial volatility in the global financial markets and operational challenges. The extent of the impact is highly uncertain and cannot be predicted and could adversely affect the future operations and financial condition of Morgan Stanley and the Company.

Overview of 2019

The Company did not incur any income or expense in the current or prior year, therefore a statement of comprehensive income has not been presented.

The statement of financial position for the Company is set out on page 8. The Company's net assets for the current year were £100 which is consistent with the prior year.

Risk management

The Directors consider that the Company's key financial risks are credit risk, primarily its concentration of exposure to other Morgan Stanley Group undertakings and liquidity risk arising primarily through its exposure to other Morgan Stanley Group undertakings presented within other receivables. The Company leverages the Morgan Stanley Group's credit and liquidity risk frameworks to identify, measure, monitor and control credit risk and to ensure that the Company has access to adequate funding.

The Company also has some limited exposure to country, operational and legal, regulatory and compliance risks.

The Company leverages the risk management policies and procedures of the Morgan Stanley Group.

BUSINESS REVIEW (CONTINUED)

Going concern

Business risks associated with the uncertain market and economic conditions are being actively monitored and managed by the Morgan Stanley Group and Company. Retaining sufficient capital and liquidity to withstand these market pressures remains central to the Morgan Stanley Group and Company's strategy. The existing and potential effects of COVID-19 (coronavirus) on the business of the Morgan Stanley Group and Company have been considered as part of the going concern analysis, including impact on operational capacity, access to liquidity and capital, contractual obligations, asset valuations and other critical accounting judgements and key sources of estimation uncertainty. The Company has access to further Morgan Stanley Group capital and liquidity as required.

Taking the above factors into consideration, the Directors believe it is reasonable to assume that the Company will have access to adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual report and financial statements.

Section 172(1) statement

The Directors are aware of their responsibilities to promote the success of the Company in accordance with s172 of the Companies Act 2006. When making decisions, Directors have regard to the interests of stakeholders relevant to the Company, as a nominee company for the holding of securities in group undertakings, as well as the need to maintain a reputation for high standards of business conduct and the long term consequences of decisions. They also fulfil their responsibilities through the application of Morgan Stanley Group policies and practices, underpinned by Morgan Stanley's five core values of: do the right thing, put clients first, lead with exceptional ideas, commit to diversity and inclusion and give back.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY CLIENT SECURITIES NOMINEES LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Morgan Stanley Client Securities Nominees Limited (the "Company"):

- give a true and fair view of the state of the Company's affairs as at 31 December 2019 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 101 "*Reduced Disclosure Framework*"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of financial position;
- the related notes 1 to 8.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 "*Reduced Disclosure Framework*" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the "FRC's") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the Directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MORGAN STANLEY CLIENT SECURITIES NOMINEES LIMITED (CONTINUED)

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of Directors

As explained more fully in the Directors' responsibilities statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.
